Dear Mama

I arrived about 5.  
Think I will go down in the  
morning to Portland. Hardly expect-  
to be home before Tuesday noon.  
Have been up to Sampsons. All well.  
Mrs S had got your letter.  
Just think have had no word from  
home for nearly two weeks. I hope  
to get a letter in Portland.  
Said Mr Moody just now and he  
said his lawyer wrote about 2  
weeks ago that they would likely  
need me after a while, when they  
heard definitely from Washington,  
as to the answers already sent or,  
so I may come back again.  
Well its after 11 o'clock and I  
must get some sleep. May God bless  
and keep you all. With love  
Affectionately C. H. Walker
