LET'S FIGHT!

Al Lemcke, Pacific university football player, is shown above with the bronze boxer idol treasured as a school emblem and mascot. It was given to Pacific by a missionary from China in 1890. Since that time nearly every group on the campus has held it. Everett Hummell, graduated from Pacific last fall, had it until yesterday at Clatskanie, where he is teaching. While he was at school Lemcke, Howard Smith and Syd Willamott captured the idol for Alpha Zeta.
