Dear Governor Atiyeh:

Thank you so much for attending the first annual Oregon Military Hall of Fame Ceremony and for presenting the biographical and military information on LaFayette F. Keaton. We are so ecstatic over how this whole event played out. We believe the Oregon Military Hall of Fame has a bright future and a lot of potential.

The high quality of all our presenters for the first year of inductions has set a first class standard we feel is an imperative part of honoring our state's inductees. We are extremely grateful for your help. Enclosed is a CD of photos for your enjoyment.

Sincerely,

Ken Buckles  
Executive Director
