

We were hungry, you fed us  
We were cold, you gave us warmth  
We were lonely, you gave us friendship

Tuvimos hambre, y nos diste de comer  
Tuvimos frio, y nos diste calor  
Sentiamos solos, y nos brindaste amistad

Many times you have been our hands,  
our eyes, and our feet  
Today let me give you my heart,  
my appreciation, and my gratitude

Muchas veces han sido nuestras manos,  
nuestros ojos, y nuestras pies  
Hoy permiteme ofrecer mi corazon, mi  
aprecio y mi gratitud

Thank you members of Community Action,  
for being a light that gives us hope  
in our community

Gracias, miembros de Community Action,  
por ser una luz que nos ha dado esperanza  
en nuestra comunidad
