

STATE OF OREGON

INTEROFFICE MEMO

TO: Governor

DATE: April 30, 1984

FROM: Jim Sellers *Jim*

SUBJECT: Revised Han Yang University speech

Two copies of the speech -- one for you, and a second for Doug Frengle. On Tuesday, I will send a third copy to the International Trade Office to be sent to Korea (for translators to study, etc.).

David Lutjen also suggests that you mention that you are "indebted to your good friend, Dr. Ha, who could not make it today."

To get the pronunciations you requested, I was unable to reach Joseph Ha; however, I did talk with his wife. She talked as if she knows the players, and I have confidence in what she told me:

Han Yang

"Hon Yung"

Lyun Joon Kim *(E-UN)*

*(E-UN)*  
"~~Yun~~ Joon Kim"

Bon voyage!
