Forest Grove, Oregon

Dear Mr. Bolton,

I am pleased to inform you that a unanimous vote of the Student Senate has officially changed the mascot of the Associated Students from "Badgers" to the Pacific University "Boxers". Having been endorsed by the students and administration as well as the alumni, this change will allow Boxer to truly serve his unique and rich traditional calling as "The Spirit of Pacific."

We are presently making plans for a ceremony to initiate Boxer as our new mascot, and appropriately lay the loyal Benny Badger to rest. Any suggestions you may have for the ceremony would be greatly appreciated.

Sincerely,

Jerry Jolley
