# Card Informs Safety Of Idol

"Boxer is safe."

These words appearing on a card mailed to the Pacific Index, campus newspaper, eased the minds of university students this week as to the safety of the famed idol.

Students earlier voiced the fear the dog was no longer in their possession. It was stolen Homecoming week from a hiding place in Forest Grove, but this fact was not known by students until last week.

The card informing the safety of the dog was an ordinary postal card and was signed, "The Gremlins."
